The image displays the WinRAR software interface. The main window, titled "WinRAR - WinRAR", shows a file list in "C:\WinRAR" with columns for "Type" and "Modified". A file named "WinRAR archive" is selected. The "Archive textfiles.rar" dialog box is open, showing the "Info" tab with details for a "RAR archive". A vertical bar on the left indicates a 1% completion rate. The "Archive name and parameters" dialog box is also visible in the background.
